XXL Nutrition	Sports Supplements	Flowbox	**+87.98% AOV** (+112.72% avg size value)

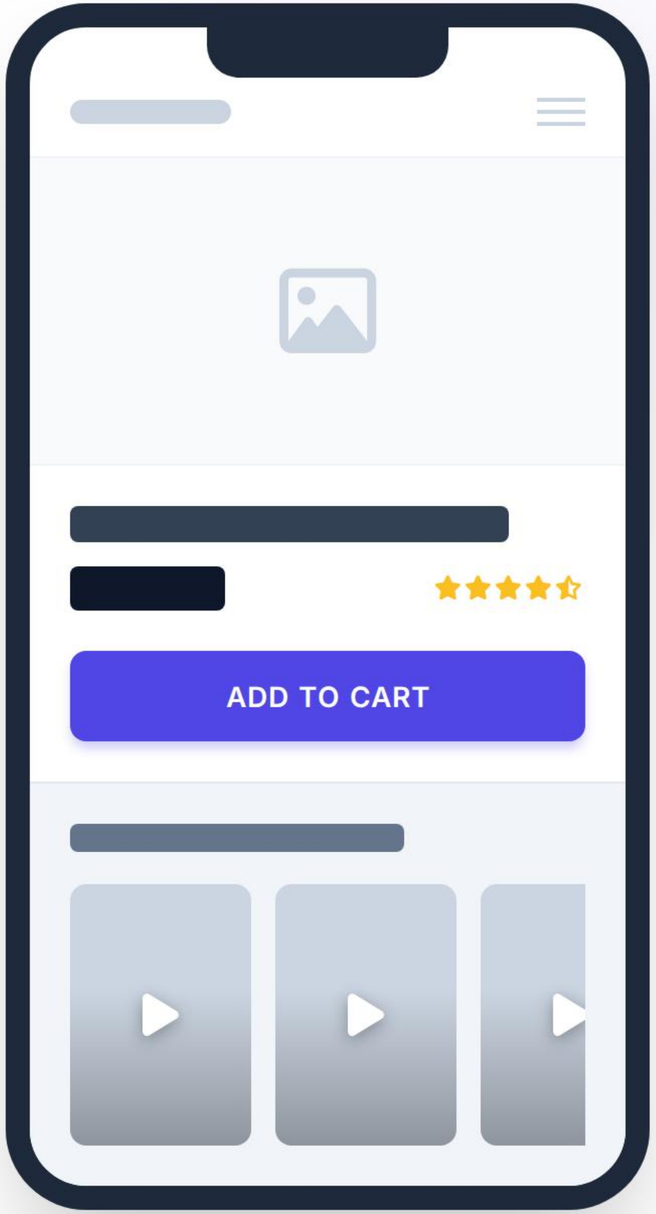
Strategic Video Placement: Below 'Add to Cart'

Aligns with User Scroll Flow

Shoppers naturally scroll past the price and description to seek validation before making a commitment to purchase.

Friction Reduction at the Point of Sale

Placing authentic creator testimonials directly beneath the primary conversion action mitigates purchase anxiety instantly.

Contextual Social Proof


UGC carousels demonstrate real-world texture, scale, and application, keeping users on-site rather than bouncing to social media for reviews.
